the University of Wisconsin.
She bought a car this summer
and they have driven out there.

Grandmother sends her
love and best wishes. She
says she will write to
you one of these days. She
is well and seems quite
happy.

We have a fire in the range
today, as the weather has
become much colder. However,
we have had no frost yet.

Mother's gladiolas bloomed and
were beautiful.

I expect to spend this week
end with Hazel at Maplewood.
Hazel entertains the Bridge Club
Saturday p.m.

With much love, Edna
Best wishes to Elsie.
